Health Insurance

Healthcare benefits help pay most of the medical, prescription drug, vision and dental expenses you and your family members may incur.

- **Medical** – Montefiore offers two Medical options from which you can choose – MonteCare EPO and MonteCare PPO – or you can waive coverage. While each of the options generally covers the same healthcare services, they differ in the following areas:
 - Your share of the cost – including:
 - Premiums which you pay whether or not you use the plan
plus
 - Any deductibles and/or coinsurance and copayments you have to pay when you receive healthcare services.
 - Provider selection – MonteCare EPO and MonteCare PPO both use the Empire BlueCard PPO Network – including Montefiore facilities and physicians in the Montefiore Integrated Provider Association (MIPA) and Montefiore Behavioral Care Integrated Provider Association (MBCIPA).
 - MonteCare EPO requires you to use in-network providers to receive benefits. Your share of the cost will be higher when you use Empire BlueCard PPO facilities and providers outside of Montefiore and the MIPA.
 - MonteCare PPO gives you the flexibility to choose any provider you wish (however, you’ll pay more for healthcare services out-of-network).

In-network Providers	MonteCare EPO/MonteCare PPO

Note: If you do not enroll within 30 days of the date you first become eligible, you will automatically be enrolled in MonteCare EPO medical coverage for **yourself only**.

- **Care Guidance** – This confidential, personal health management program provides support and resources to help you manage your health. It’s available to you and your family members – at no cost to you. Working as a team, your physician and Personal Health Nurse (PHN) will set health goals, create an action plan and identify ways to help you maintain healthy habits. Your PHN’s goal is to efficiently guide you through the different aspects of the healthcare system, making your care manageable and more successful.

- **Prescription Drugs** – Prescription drug benefits are available for associates who elect medical coverage.
 - Montefiore's outpatient pharmacies offer prescription drug benefits for you and your covered family members up to a:
 - 30-day supply for new prescriptions for chronic medications and seasonal allergy medications
 - 90-day supply for refills and all other medications.
 - Express Scripts prescription drug benefits are available through participating retail pharmacies and the Home Delivery Pharmacy Service. Copayments are based on the generic, preferred, non-preferred or specialty drug classification of each prescription.
- **Vision**
 - Participants in MonteCare EPO and MonteCare PPO have access, through Empire BlueCross BlueShield, to discounts on vision care services (including eye exams, eyewear and contact lenses) as well as laser vision correction.
 - Spectera Vision Plan – provides benefits for routine eye exams, as well as eyeglasses (or contact lenses in lieu of eyeglasses). The Plan offers a High and a Low option. The key differences between the two options are the frequency with which you can replace frames, the copayment that applies to lenses and frames, and the allowance amount for contact lens coverage. You are eligible for a 15% discount off U&C price or 5% discount off any promotional price on laser correction surgery when services are provided through the Laser Vision Network of America. Discounts are also available on mail order contact lens replacement through VisionDirect.com. You pay 100% of the premium for Spectera vision coverage with before-tax dollars.
 - LASIK Surgery – Montefiore Laser and Eye Care Center at Montefiore Medical Specialists of Westchester offers LASIK Surgery discounts of 20% off of the regular charge for you and your family members.
- **Dental** – You can waive coverage or select one of the following:
 - Two dental options with access to dentists in the Empire Dental Premium Care PPO Network which includes Montefiore's Department of Dentistry:
 - Preventive & Diagnostic Dental Care
 - Indemnity/PPO Dental Benefits
 - Aetna Dental Maintenance Organization (DMO).

You pay the cost of dental coverage during your first year at Montefiore. After one year, Montefiore's premium subsidy begins and the Preventive & Diagnostic Dental Care option is available at no cost to you and your family.

Note: If you do not enroll within 30 days of the date you first become eligible, you will automatically be enrolled in the Preventive & Diagnostic dental coverage for **yourself only**.

Flexible Spending Accounts

You can establish a Flexible Spending Account (FSA) to pay out-of-pocket health and/or dependent care expenses for you and your family members with dollars that are never taxed. Your contributions are deducted from each bi-weekly paycheck before taxes are calculated and withheld, lowering your taxable income.

- The Health Care Account is used to pay out-of-pocket health care expenses for you and anyone you claim as a dependent on your federal income tax return – as well as children to age 26, regardless of whether they are dependent upon you – and whether or not they are enrolled in Montefiore's medical and/or dental plans. You can contribute up to \$2,500 each year to this account.
- The Dependent Care Account is used to pay an individual or facility to provide day care for children under age 13 and/or an incapacitated adult you claim as a dependent on your federal income tax return. The care must be necessary so that you (and your spouse if you are married) can work. You can contribute up to \$5,000 each year to this account. Contributions to a Dependent Care FSA may be restricted for individuals who are considered highly compensated due to IRS regulations which govern the operation of these accounts.

Life & Accident Insurance

Life Insurance is designed to pay a benefit to your beneficiary if you die from any cause while coverage is in effect. Accidental Death & Dismemberment (AD&D) Insurance pays a benefit to you, if you lose sight or limb, or to your beneficiary, if you die as the result of an accident. In case of an accidental death, AD&D benefits are paid in addition to Life Insurance benefits. You make separate elections for Life and Accident Insurance.

- **Basic Life Insurance** – Montefiore provides Basic Life Insurance equal to one times your annual base salary (maximum covered salary is \$250,000) – at no cost to you after you complete one year at Montefiore. If your annual base salary is greater than \$50,000, you can lower your coverage to \$50,000 to avoid imputed income. You can also waive coverage.
- **Supplemental Life Insurance** – You can elect Supplemental Life Insurance coverage from one to seven times your annual base salary (up to a maximum of \$750,000). Amounts in excess of three times your annual base salary require evidence of insurability. You pay the cost of Supplemental Life Insurance based on your age, whether or not you use tobacco and the amount of coverage you elect.
- **Basic AD&D Insurance** – Montefiore provides Basic AD&D Insurance equal to one times your annual base salary (maximum covered salary is \$250,000) – at no cost to you after you complete one year at Montefiore. You can also waive coverage.
- **Optional AD&D Insurance** – In addition to your Basic AD&D Insurance, you can elect Optional AD&D Insurance coverage from one to seven times your annual base salary (up to a maximum of \$750,000). You must elect Basic AD&D coverage to elect Optional AD&D. No evidence of insurability is required. You pay the cost of Optional AD&D Insurance.

Business Travel Accident (BTA) Insurance

In addition to your Life and Accident Insurance, this plan pays benefits in case of your death or dismemberment as the result of an accident while traveling on Montefiore business. Montefiore provides BTA Insurance equal to four times your annual base salary (minimum benefit \$100,000/maximum benefit \$1,000,000) at no cost to you.

Dependent Life Insurance

You can select from two Dependent Life Insurance options or elect no coverage.

- \$10,000 for your spouse or domestic partner; \$5,000 for each child.
- \$20,000 for your spouse or domestic partner; \$10,000 for each child.

You pay the cost of Dependent Life Insurance.

Group Legal Services

This coverage helps pay all or part of the cost of a wide range of personal legal services – for you and your covered family members – through a network of participating attorneys. You pay the full cost of coverage through regular payroll deductions on an after-tax basis. You may use any lawyer, although a greater portion of your cost is generally paid if you use the services of an in-network attorney.

Paid Time Off

Montefiore believes that providing time away from the responsibilities of work benefits everyone. Choice Time combines your paid time off for vacation, holidays and sick days into a Choice Time Bank and Long Term Sick Account (LTSA). The LTSA is for absences due to your illness or injury lasting longer than five consecutive workdays. Each pay period, you accrue hours equivalent to 1/26th of your annual allotment:

- 7 days in your Long Term Sick Account
- 27 days in your Choice Time Bank (increasing to 37 days after 5 years of service; 42 days after 25 years of service).

Once the time is credited, you can use your Choice Time Bank at any time and for any reason, limited only by the operational needs of your department. Depending on your length of service and your non-exempt/exempt status, you can accrue up to a maximum of 36.5 to 56.5 days in your Choice Time Bank and 120 days in your LTSA. Bereavement days, jury duty and marriage days are not included in Choice Time.

Disability

Disability benefits continue part or all of your earnings if you are ill or injured and unable to work. Benefits are provided under the following programs:

- Short Term Disability – Includes Paid Sick Leave, Supplementary Sick Pay and New York State Statutory Disability benefits for up to 26 weeks. After you have been at Montefiore for 90 days and exhausted your Paid Sick Leave, Supplementary Sick Pay provides 2/3 of your annual base earnings up to a maximum weekly benefit of \$1,300, inclusive of New York State Disability or Worker's Compensation benefits.
- Long Term Disability (LTD) – Basic Long Term Disability (LTD) continues 60% of your predisability earnings up to a maximum benefit of \$3,000 a month if you are disabled for more than 26 weeks. If your covered earnings are more than \$60,000 annually, you have the option to purchase a Buy-up LTD benefit. Buy-up LTD benefits continue 60% of your predisability earnings up to an additional maximum benefit of \$2,000 a month. The combined maximum monthly LTD benefit is \$5,000 each month. You pay the cost of mandatory Basic LTD and any Buy-up LTD coverage you elect with after-tax dollars.

In addition to disability benefits, the Plan contains a 403(b) Contribution Disability Benefit. If you are a participant in the Voluntary Tax Deferred Annuity 403(b) Plan and/or Tax Deferred Annuity 403(b) Plan and are on long term disability – both your and any Montefiore contributions stop. To help offset this reduction in retirement benefits, after you receive 12 months of LTD benefits, the LTD Plan will contribute up to 5% of your predisability covered monthly earnings to an individual annuity established on your behalf. The LTD Plan will make a contribution each month you are disabled (up to normal retirement age). The contribution will not exceed the combined contributions you and Montefiore were making at the time you became disabled.

Tuition Reimbursement

Montefiore's Tuition Reimbursement Program is designed to promote continuous professional development and growth for associates. Montefiore reimburses your tuition each academic year (September 1 through August 31), subject to certain maximum limitations, for job-related courses leading to an undergraduate or graduate degree at an accredited institution.

You are eligible for the Tuition Reimbursement Program if you are a regular full-time associate or a regular part-time associate working at least 50% of a full-time schedule. Part-time associates are eligible to receive a pro-rated benefit.

Retirement

Montefiore helps provide for your future financial security by making all of the contributions to the Tax Deferred Annuity 403(b) Plan on your behalf and offering you the opportunity to contribute to the Voluntary Tax Deferred Annuity 403(b) Plan. The Principal Financial Group provides administrative services for both plans.

You make your own investment decisions based on your investment strategy and the level of risk you are willing to accept. You can change your allocations and transfer amounts among investment options. You may be eligible to borrow from your accounts and under certain circumstances you may make a withdrawal.

Tax Deferred Annuity 403(b) Plan

If you are in an eligible position, Montefiore helps provide for your long-term financial security through the Tax Deferred Annuity 403(b) Plan. This Plan is fully funded by Montefiore contributions.

Beginning with the first pay period following your one-year anniversary, the Medical Center will contribute 8% of your bi-weekly base salary each pay period – up to a maximum covered bi-weekly base salary of \$6,538.46 (\$170,000 annually).

You must meet a 3-year service requirement in order to become vested. Vesting is your non-forfeitable right to the value of your account – both Montefiore's contributions and earnings on these contributions.

Voluntary Tax Deferred Annuity 403(b) Plan

Your before-tax contributions are deducted from your paycheck and accumulate earnings on a tax-deferred basis.

You will automatically be enrolled in the Voluntary Tax Deferred Annuity 403(b) Plan after 90 days at Montefiore. Your contributions (3% of your annual base salary) will be deducted on a bi-weekly basis. If you contribute 3% to 7% to the Plan, each January 1st, your contribution percentage will automatically increase by an additional 1%, up to 8% or the maximum contribution, whichever is less.

You must enroll online at www.principal.com to:

- Decline participation in the Plan
- Opt out of the Automatic Contribution Increase
- Change your deferral percentage
- Direct your investments.

The maximum dollar limit for contributions is determined by the IRS and is adjusted annually. If you are age 50 or older you can make an additional "catch-up" contribution.
