## Cigna Dental Care Network Directory for New York

Choose your Network General Dentist from our dental HMO-type network. The Cigna Dental Care Patient Charge Schedule applies only when covered dental services are performed by your designated Network General Dentist, unless otherwise authorized by Cigna Dental as described in your plan documents. Make sure you tell us which dental office you have chosen before your treatment begins so your coverage will apply. For the most up-to-date list of network dental offices, visit our website at [www.cigna.com](http://www.cigna.com).

The Cigna Dental Care Network does include specialists. A Network Specialty Dentist may not be selected as your primary care dentist. Your Network General Dentist must start the referral process.

## Cigna Dental Care Network Directory for New York

Choose your Network General Dentist from our dental HMO-type network. The Cigna Dental Care Patient Charge Schedule applies only when covered dental services are performed by your designated Network General Dentist, unless otherwise authorized by Cigna Dental as described in your plan documents. Make sure you tell us which dental office you have chosen before your treatment begins so your coverage will apply. For the most up-to-date list of network dental offices, visit our website at [www.cigna.com](http://www.cigna.com).

The Cigna Dental Care Network does include specialists. A Network Specialty Dentist may not be selected as your primary care dentist. Your Network General Dentist must start the referral process.

## Cigna Dental Care Network Directory for New York

Choose your Network General Dentist from our dental HMO-type network. The Cigna Dental Care Patient Charge Schedule applies only when covered dental services are performed by your designated Network General Dentist, unless otherwise authorized by Cigna Dental as described in your plan documents. Make sure you tell us which dental office you have chosen before your treatment begins so your coverage will apply. For the most up-to-date list of network dental offices, visit our website at [www.cigna.com](http://www.cigna.com).

The Cigna Dental Care Network does include specialists. A Network Specialty Dentist may not be selected as your primary care dentist. Your Network General Dentist must start the referral process.

## Cigna Dental Care Network Directory for New York

Choose your Network General Dentist from our dental HMO-type network. The Cigna Dental Care Patient Charge Schedule applies only when covered dental services are performed by your designated Network General Dentist, unless otherwise authorized by Cigna Dental as described in your plan documents. Make sure you tell us which dental office you have chosen before your treatment begins so your coverage will apply. For the most up-to-date list of network dental offices, visit our website at [www.cigna.com](http://www.cigna.com).

The Cigna Dental Care Network does include specialists. A Network Specialty Dentist may not be selected as your primary care dentist. Your Network General Dentist must start the referral process.
