Unlimited talk and text features for direct communications between two people; others (e.g., conference and chat lines, etc.) may cost extra. T-Mobile ONE not available for hotspots and some other data-first devices. Video streams at up to 1.5 Mbps unless you have an HD Day Pass. Optimization may affect speed of video downloads; does not apply to video uploads. For best performance, leave any video streaming applications at their default automatic resolution setting. Tethering: Tethering at max 3G. Service may be terminated or restricted for excessive roaming. For customers in the top 3% of data users (currently over 28 GB per month), primary data usage must be on smartphone or tablet. Smartphone and tablet usage is prioritized over Mobile Hotspot Service (tethering) usage, which may result in higher speeds for data used on smartphones and tablets. AutoPay Pricing for lines 1-8. Without AutoPay, \$5 more/line. May not be reflected on first bill. For Switch without a Hitch offer, eligible device trade-in, new device purchase, qualifying credit, port-in from eligible carriers, and qualifying service required. Pay off your device requires trade-in of financed/leased device in good condition; your payments must be current. Payments consist of: (1) credit of device trade-in value, and (2) Visa Prepaid Card in amount of carrier's Early Termination Fee (for ETF offer) or remaining device balance, including lease-purchase option if applicable, minus trade-in credit (for device offer) (card not redeemable for cash and expires in 12 months unless extended by issuer). Sales tax on ETF/device excluded. You must submit final bill showing ETF or device balance (and valid exercise of lease-purchase option, if applicable) within two calendar months of port-in and be active and in good standing with T-Mobile when payment is processed; allow up to eight weeks. Additional validation may be required. Up to 10 lines; all lines must be activated in same T-Mobile market with same billing address. One offer per subscriber. Check your contract(s) with your carrier for your rights and obligations. T-Mobile Switching Cost Reimbursement Visa Prepaid Card is rebate/reimbursement or exchange on new device, service, or port-in (maximum \$350 per individual for ETF); for any tax implications of payment, consult a tax advisor. No money will be paid by you for the card. Prepaid card is issued by MetaBank, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Card terms and conditions apply, see T-MobilePrepaidCenter.com.
